Introduction

The Maharashtra Council of Agricultural Education and Research (Agriculture council), Pune is a statutory body which has been constituted under Section 12 of the Maharashtra Agricultural Universities (Krishi Vidyapeeths) Act, 1983. Agriculture council helps to make effective coordination in the education, research and extension education under four agricultural universities of the State. This Agriculture council is conducting online admission process since 2013 for admissions to all diploma, degree, post graduate and doctorate courses in four agricultural universities in Maharashtra.

Online Admission portal and scope of work related to admission process

1. Development of online application form: Development of online application form according to prospectus of previous academic year (2022-23) for post graduation and Ph.D. in four state agricultural universities. Necessary corrections in online form may also be made as per the requirements of council from time to time.

2. Online scrutiny of documents: Online scrutiny of documents should be done from trainee and experience person after information received through online application form and accordingly publish the provisional merit list, list of rejected application forms along with reason and detailed list of discrepancies in documents claimed by candidate. Also those persons who scrutinized online documents these person list should provide to Director, Education (MCAER, Pune) for information.

3. Information of discrepancies: Make necessary arrangements for clearing of discrepancies in documents of student’s login on website during grievances period.

4. Publication of Merit list: Scrutiny of documents should be done by Agency which are uploaded by students during grievance period. If found correct clearing of discrepancies and accordingly publish final merit list for university level as well as state level.

5. Allotment Rounds: Round wise allotment of admissions to the students from the final merit list as per rules and regulations given in prospectus /Circulars and GR issued by Government from time to time. Vacant seats should be displayed on website dynamically from first online admission allotment round to the completion of admission process.
6. The number and duration of online admission allotment rounds may be changed by MCAER from time to time as per requirements. It is compulsory to publish all the list related to admission process according to time table decided by MCAER, Pune.

7. Separate login should be given to admission processing center for the conduction of admission round to fill seats remained vacant after online admission allotment rounds. During the process merit list excluding admitted students should be provided to each admission processing center and also control the admission process at such centers. Vacant seats should be displayed on website dynamically during the process.

8. During each online allotment round display college and caste wise cutoff of last student on website.

9. Separate login should be provided for filling application form to the candidates. Similarly separate login will be given to each college, university and Agriculture council with dash board and application form.

10. Candidate’s login should contain facilities viz. personal information of candidate, educational information, payment gateway and documents (Minimum 600 kb size /document), to clear discrepancies, allotment letter generation with photograph if admission is allotted, facility to reject/Refuse admission etc. Also other facilities should make available as directed by state Agriculture Council from time to time.

11. SMS facility should be made available for students / Nodal Officers of each college about information regarding admission process.

12. College login should contain application forms of round wise admitted students (along with all uploaded documents), List of candidates, Allotment letters along with facility to confirm/cancel/Reject/Refuse admission of candidate.

13. University login should contain all colleges in under jurisdiction of university, list of students admitted in college, College wise list of admitted/cancelled/rejected/refused candidates, Category wise/ Admission round wise / total statistical information of candidates.

14. State Agriculture Council, Pune login should contain university and college wise list of all admitted students, college wise list of admitted, cancelled and rejected candidates also caste wise list of candidates, admission allotment
round wise and total statistics of admitted students. The above information should be provided time to time to MCAER, Pune.

15. Besides above, modifications in login should be made available as per directives of Agriculture Council from time to time.

16. The fees received from candidates through online process should be directly deposited to bank account of MCAER, Pune.(SBI Bank Account No. 10198663784, IFSC Code No. SBIN0007339 Branch Code No. 07339).

17. The information received during admission process viz. application form, category of candidate, allotted Category, marks, allotment letters etc information of admitted candidates and the soft copy of information asked by agriculture council from time to time in various formats should be submitted within stipulated period and confidentiality be maintained about all information.

18. All above work should be carried out on website of bidder. The website of MCAER will not be available for the same.

19. The website should be elegant and specific and user friendly in its layout and content.

The Other Points related to Online Admission Process

1. Seat distribution table of each college will be provided by Agricultural Council (Including roster for post graduate and Doctorate degree).

2. During period of admission process (start date of filling application to till last admission), one full time technical person be made available in office of MCAER, Pune to resolve the queries of students regarding online admission process.

3. To resolve the queries of students regarding online admission process call center of at least 5 phone lines should made available at Bidders office.

4. All rights are reserved with Agriculture council regarding information received during admission process. Bidder should not share this information to third party without prior permission of MCAER, Pune. If such information provided to third party, then as per rule legal action shall reserve with MCAER, Pune.

5. The software shall be started live in 20 days of issuing work order.
6. All intellectual property rights (IPR) for the software will remain with MCAER.

7. The selected agency has to work completion of admission process till academic year 2025-26. If work of agency were found unsatisfactory then the MOU can be terminated at any stage without any reason. However, on satisfactorily completion of work the duration for MOU may be increased with permission of MCAER, Pune for next three academic years.

8. Tenderer should appoint independent contact officer compulsory for all work related to admission process.

9. All rights reserved by MCAER, Pune in next every year for any change or reduce in number of courses related to agriculture admission process.

10. Tenderer should read carefully English as well as Marathi e-tender documents before submitting bid.
